

Internship and Independent Study Approval Form

Name:

NSHE ID:

Select One:

Internship – RE 481

Independent Study – ECON 490

Semester:

Independent Study

I have attached a detailed description of my independent study, including an outline of my intended project, details of deliverables I will create, and a rubric detailing how I will be graded, all as approved by the professor guiding the study.

Supervising Faculty Member:

Internship

I understand that an internship requires at least 50 hours of work per credit hour (150 hours = 3 credits)

I understand that I may not intern in a family business, or in an entity where my supervision, directly or indirectly, will be performed by a member of my family.

I agree that, upon the completion of the internship, I will ask my supervisor to email the internship coordinator, providing the hours worked, and detailing the work done and its quality.

I have attached a description of the duties I will perform as an intern.
